

## ATF HAND PUMP - 20L

The Macnaught 20L ATF Hand Pump is your reliable fluid transfer companion. This pump is equipped with an anti-drip aluminium nozzle, ensuring precision and cleanliness with every stroke. No more messy spills or wasted fluids.

Another quality feature is the drain back nozzle holder for a mess-free and hassle-free operation. The Macnaught ATF Hand Pump 20L provides approximately 14 strokes per litre, and is suitable to use with ATF, gear oil, engine oil, and hydraulic oils.
