

HIGH FLOW DIGITAL OIL CONTROL GUN

L-DHF0G80-01

The new High Flow Oil Control Gun by Lubemate gives you the power to deliver oil faster to your application. With up to double the flow rate of most oil dispensing guns, the High Flow Oil Control Gun (L-DHF0G80-01) comes standard with a flexible extension with auto tip and a digital meter. The Lubemate oil gun is made from high-quality, aluminium for maximum strength and durability, so you get the most from your Lubemate product.

Flexible extension with auto nozzle

Designed for heavy-duty work conditions; the auto nozzle prevents fluid spills.

High-accuracy digital oil meter

5-digit, easy-to-read, resettable LCD display.

2-position latch mechanism

Allows the flow rate to be locked in two positions.

Compact and lightweight design

Made from aircraft-grade aluminium for maximum strength and durability.
