

## AUTOMATIC DIESEL NOZZLE - PREMIUM

The new heavy duty Automatic Diesel Nozzle from Lubemate has been designed for diesel fuel delivery up to 60LPM. The premium nozzle comes standard with a stainless steel tip & auto shut-off nozzle to prevent overfilling. Comfortable to handle but built tough for application, the L-FNADP is your dependable Lubemate diesel dispenser. It is fitted with a positioning control device which allows the nozzle to shut-off when falling out of a vehicle, and is tipped up, limiting spillage and unsafe conditions.

### STAINLESS STEEL SPOUT & AUTO SHUT-OFF

Stainless steel tip extends the service life of spout and auto shut-off prevents overfills & wastage

### POSITION CONTROL DEVICE

Auto shut-off when displaced and tipped up

### TOUGH & ERGONOMIC

Anti-slip handle for comfortable & safe operation

### 3 POSITION LATCH MECHANISM

Allows flow control in 3 positions
