

M SERIES TWIN PEDESTAL HOSE REEL MATP2520-01

The Macnaught range of heavy duty reels are designed and manufactured using the highest quality materials and finish that guarantee reliability and durability. The reels are ideal for use in a wide range of applications and can be fitted in a variety of positions such as wall, floor, tank, truck or overhead.

Adjustable Roller & Guide Arms Direction

Provides maximum flexibility for mounting and hose orientation in various applications.

Heavy Duty Hose

Ensures durability and long-lasting performance even under demanding conditions.

Fully Serviceable

Makes maintenance simple and cost-effective, extending the life of the reel.

Heavy Duty Powder-Coated Steel Construction

Resists corrosion and wear for long-term use in tough environments.

Spring Enclosure for Safety and Reliability

Resists corrosion and wear for long-term use in tough environments.

Bare Reel Option

Offers customisation for users who prefer to use their own hose or specific configurations.

FEATURES & BENEFITS

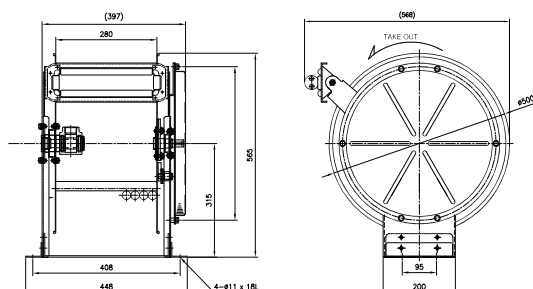

- Heavy duty powder coated steel construction
- Heavy duty steel spring enclosure for safety and reliability
- Twin pedestal for strength and stability
- Adjustable roller guide direction for versatility

PACKAGE INCLUDES

- Macnaught M Series MATP2520-01 Hose reel & hose

APPLICATIONS

- Ideal for use in all workshop applications and also suitable for off-road service vehicle applications.

TECHNICAL SPECIFICATIONS

Part Number	MATP2520-01
Colour	Blue
Compatible Fluids	Air / Water / Diesel / Coolant
Hose Size (ID)	1" (25mm)
Hose Length	20m
Hose Material	PVC
Working Pressure	290 PSI
Max Temperature	60°C
Feed Hose Inlet	N/A
Reel Inlet	1" BSPT (F)
Hose Outlet	1" BSPT (M)
Feed Hose length	N/A
Weight	42kg
